Middle Way House

338 S. Washington St. 47401

333-7404

Working phones needed for use as emergency phones by clients.

Phones can be dropped off at the shelter weekdays between 9 a.m. and 4 p.m.

INDIANA

Indiana Recycling Coalition

PO Box 7108, 47407-7108

1-877-283-9550

Your old, unwanted cell phones can be reused or recycled!

If you'd like to help them by having a collection at your workplace, school, church, or organization, please visit their cell phone recycling page for more information. Turn them in for recycling, and the IRC gets a small reward. Working or non-working phones accepted.

If you have less than 50 phones to donate, we can mail you postage paid mailers to send them into the recycling center. One phone per mailer. Please email us at info@indianarecycling.org with your name and address with the number of mailers you'd like to receive.

For more information on charitable giving contact Bet Savich at 349-3472 or volunteer@bloomington.in.gov.
